Message from the Chairman

*Kenneth W. Sperring, Jr.
Chairman*

I am grateful to my fellow colleagues for nominating me to serve as the Board Chairman for 2022. We welcome new Supervisor Linda Irwin who took her seat on the Board in January and look forward to the positive contributions she will bring as we all work toward the betterment of this wonderful Limerick Community. Despite the many challenges experienced during the COVID pandemic over the past two years, the Township has successfully maintained all levels of police, public works, fire, and emergency services, without burdening Township finances or an increase of real estate tax rates. Long-range capital projects such as the 2.5-mile PECO trail and the 422/Sanatoga West Bound on-ramp projects continued without delay. The ramp was completed under budget last November and we look forward to the opening of the trail system this spring and the positive recreational benefits it will provide.

The Township continues to be a desirous place for many who wish to move here and raise a family or establish a business. Several long-range planning studies have been ongoing as well over the past two years to ensure future growth is controlled and managed in a positive manner. One such study resulted in the adoption of an Update to the **Limerick Township Open Space Plan** by the Board on February 1st of this year. This study, **which was spearheaded by a committee of Limerick residents**, defines strategies on how to advance the Township's successful efforts over the past two decades in preserving open space and the natural features of the Township. Development pressures are expected to continue, **and one recommendation of the new Open Space Plan is to ask the residents of this community if they would be in favor of an additional Earned Income Tax of up to .25% dedicated to the acquisition and maintenance of open space**. An election ballot referendum is scheduled for the general election this fall on November 8th and must be approved for the additional tax to be imposed. Leading up to the election, the Township will discuss the merits of what the additional revenue can achieve in preserving additional open space for future generations of those who will call Limerick their home.

I ask that you take the time to review information in this newsletter on the proposed open space program and upcoming ballot referendum. We welcome your feedback, comments, and questions on this important effort.

I wish you a happy and healthy Spring season!

Sincerely,

Kenneth W. Sperring, Jr.

Township Welcomes New Supervisor

Linda Irwin was sworn in by District Justice Richard H. Welsh at the Reorganizational meeting in January of this year and began a six-year term as a Limerick Township Supervisor.

← Pictured:
Linda being sworn in by Judge Richard H. Welsh, with the support of her family

As a proud resident of Linfield, Linda serves on the Linfield Village Master Plan Study Committee and is also the Board Liaison to the Limerick Township Planning Commission.

Linda is passionate about her position as a Supervisor and is excited to work alongside her fellow Board members in service to the Limerick community.

Supervisor Linda Irwin

Limerick Township Plans for Tri-Centennial in 2026

The Board of Supervisors wants to establish a committee of residents interested in assisting with the planning process for Limerick Township's celebration of their Tri-Centennial. While we are still several years away, it is never too early to begin the planning of an event of this magnitude and importance. The first step is to gather interested residents to help with the planning process. If you wish to participate, please contact the Township Administration Office at Info@LimerickPA.org or call (610) 495-6432.

Board Adopts Comprehensive Open Space Plan

Preserving Open Space & Protecting Natural Resources for Current & Future Residents

Trinley River Park

The mission of Limerick Township's Comprehensive Open Space Plan is to enhance access to a wide range of recreational and open space resources to benefit the environment and community. This plan's goal is to create an objective and sustainable plan for investing in parks and open space that provides equitable access to all residents while preserving the rural, agricultural, and suburban characteristics that contribute to Limerick being a unique community.

Pictured: Permanently preserved Township Open Space

EIT Referendum Considered For November 8th General Election
Recommendation of the Open Space Plan Update - Favored by Citizen-Based Committee

The Preserving Land for Open Air Spaces Act of January 19, 1968 (P.L. 992) authorized local governments to preserve, acquire, or hold land for open space use.

The Board of Supervisors of Limerick Township is seeking permission to enact an additional Earned Income Tax (EIT) for the purpose of preserving open space. The revenue received from the new tax will be used to acquire, preserve, develop, improve, design, engineer, and maintain open space land in Limerick Township.

Your Vote is Important

To support the recommendations of the updated Comprehensive Open Space Plan, the Board will place a ballot question (referendum) before the voters of Limerick Township at the General Election on November 8, 2022, asking if they favor the imposition of an additional Earned Income Tax for the purpose of preserving open space.

YES
NO

How will residents benefit?

- Enhanced livability and connectivity
- Strengthen property values
- Protects wildlife
- Limits new development
- Protect groundwater resources

If we don't act now?

- Natural resources will continue to be lost
- Increased development
- Higher municipal costs of services
- Increased traffic
- Additional stormwater runoff

3 NEW GRANT AWARDS BRING PROJECTS TO REALITY

Limerick Township is pleased to announce that the Pennsylvania Department of Transportation has awarded Limerick Township a \$37,290 grant to install **8 audible pedestrian signals** to the intersection of 10th Avenue and Main Street through the Automated Red-Light Enforcement funding program. Though the intersection is in Royersford Borough, based on a 2003 agreement, Limerick Township is responsible to maintain the traffic signal and associated crossing measures. The Board prioritized this project and the submission of the ARLE grant application, based on a request from an individual that is visually impaired and frequently crosses this intersection.

1

Coming Soon to 10th Ave and Main Street.

2

3

A third grant the Township received is from the Pennsylvania Intergovernmental Risk Management Association (PIRMA) to aid in the installation of two flashing pedestrian crossing signs at the Limerick Community Park. The signs will be placed at the trail crossing of Ziegler Road near the intersection of Swamp Pike.

These signs will provide added safety to pedestrians as they cross Ziegler Road while traversing the Community Park's trail system.

A second grant of \$250,000 was awarded from the Pennsylvania Department of Conservation and Natural Resources (DCNR) Community Conservation Partnerships Program (C2P2) for the second phase of the Limerick Community Park Improvements.

This is Limerick's third consecutive grant award from DCNR towards the Community Park upgrades. These funds will be used for the construction of softball fields, a pedestrian walkway, a parking area, and the installation of play equipment with required safety surfacing.

Through the continued support of the DCNR, funding for the Limerick Community Park upgrades now stands at \$675,000!

PARKS & RECREATION

Volunteer Spotlight - Student Representative

Pictured (Left to Right): Supervisors Pat Morroney, Kara Shuler, Ken Sperring, Student Rep. Liam Kaufman, Supervisors Linda Irwin, and Mike McCloskey

At their meeting on January 18th, the Board of Supervisors commended Liam Kaufman for his 4 years of dedicated volunteerism to the Limerick Township community.

Liam has been on the Parks & Recreation Committee and the Open Space Plan Update Advisory Committee since 2019. He also served on the committee that assisted in creating a Master Plan for the Linfield Sportsman's Park and Toll House property.

Liam is currently completing his senior year at Spring-Ford High School. After graduating, he plans to attend college and major in either Finance, International Business, or Economics.

Upon his graduation, Liam will be relinquished of his respective committee positions. When asked why he enjoys volunteering, Liam answered, "With just a few hours every month, I know I am making a difference in my community." Limerick Township thanks Liam for his service and wishes him success in his upcoming college career.

If you are a current student and desire to become the next "Student Representative" for Limerick Township, please complete a Volunteer Application Form, which is available on the Township's website and email it to: Info@LimerickPA.org

THANK YOU, LORAINA

After 25 years of dedicated service, **Lorraine Rambo** retired from Limerick Township in January 2022. She began her Limerick career in 1997 for the Limerick Township Municipal Authority and the Limerick Township Sewer Department, before concluding her career with the Township Administration.

Lorraine always brought a positive, supportive, dedicated, and hard-working attitude to work. Her contributions will be sorely missed.

Lorraine, THANK YOU for your service!

Vince & Jennifer, **WELCOME**

Vince D'Angelo
joined the
Public
Works
Department
in December
2021.

Vince comes from a history of building maintenance and groundskeeping. He was drawn to the job because he enjoys working outdoors and looks forward to making a positive impact in the Limerick community.

In his free time, Vince enjoys spending time with his family & friends and watching Philadelphia sports teams.

Welcome to our team, Vince!

Jennifer Kuklentz joined the Administration in January 2022 to take the reins from Loraine Rambo at the front desk.

Jennifer was a Girl Scout leader for 10 years, which helped her develop the confidence and organizational skills for the job. Her family has deep roots in the Limerick community, and she was eager for the opportunity to work for the Township that she calls "Home."

Fun fact about Jennifer:

She is the current record holder and Women's U.S. Steinholding Champion!

Steinholding, also known as Masskrugstemmen, has led her to meet some fantastic people, travel to great places, and win fun prizes, including a trip to Germany! Welcome, Jennifer!

POLICE NEWS – K-9 RAMBO RETIRES

Pictured: K-9 Rambo with his owner, Officer Christopher Wienczek

Rambo was born October 10, 2015, in Germany. He was under 2 years old when he was brought to the United States and began training with the FBI Hostage Rescue Team. Due to Rambo's aversion to repelling from helicopters, the FBI decided not to proceed any further with his training. He was returned to his owner, Armin Winkler, of Rivanna K-9 Services. Rambo was determined to suit the needs of the Limerick Township Police Department. On March 26, 2018, K-9 Rambo and Officer Chris Wienczek began training in Police Patrol Tactics and Narcotic Detection. Rambo was certified as a Police K-9 through the National Police Canine Association.

Rambo's first shift on the streets of Limerick was June 1, 2018. Since his time on duty, Rambo has assisted local multi-county Police Agencies and the State Police with narcotic detection, tracking of fleeing criminals, and building searches of burglarized premises.

Rambo officially retired on January 2, 2022. During his career with the Limerick Township Police Department, Rambo gave his all and we are forever grateful for his service.

At their meeting on February 1, 2022, the Limerick Township Board of Supervisors officially recognized and honored K-9 Rambo for his service to the Limerick Police Department.

SPRING STORMWATER MANAGEMENT

Here are some tips for managing stormwater on your property this spring:

- 1) Plant native plants!** Native plants provide biodiversity and require less maintenance and water to thrive.
- 2) Mulch your grass clippings.** Grass clippings are a source of nitrogen fertilizer. Let them decompose on your lawn and never blow them into the street.
- 3) Use chemicals sparingly.** When spreading fertilizer, use it sparingly to ensure the excess does not overflow into runoff when rain comes.
- 4) Pick up pet waste.** Pick up, bag, and dispose of pet waste properly to prevent unhealthy bacteria from flowing into local waterways.

Summer 2022 Specialty Camps

June

Pop Up Play June 20th—June 24th (Half Day/Full Day Options)

9AM to 3PM, 9AM-12PM or 12PM-3PM at Limerick Township Building; Ages: 6 to 12 Fee: \$150 Half/\$300 Full

Become a Time Traveler! In this action packed camp we'll travel through time learning and playing active games popular throughout a century of play. We'll explore play from 1900 to today, think sack racers, stick-ball, hopscotch and apple-basket basketball. Campers will literally run, jump and play throughout time as intrepid time travelers. Are you ready to build your time machine? In the afternoon, campers will design, build and bring home an amazing wooden skyscraper, superhero fort, museum, or house in this crafty camp. We'll focus each day on a different architecture principle while allowing our imaginations to run wild... anyone feel like building a grocery store on Mars?

Flag Football Camp June 20th—June 24th (Half Day)

9AM to 1PM at Limerick Township Building; Ages: 7 to 13 Fee: \$125

Flag Football play will focus on fundamental passing, catching and flag grabbing skills. Campers will be introduced to the rules and engage in fun safe game play. Flag football is a non-contact sport ideal for both girls and boys. All Players must bring: a healthy snack, water bottle, and wear a t-shirt, shorts, running shoes and sun screen.

Spring-Ford High School Baseball Camp June 27th—June 30th (Half Day)

9AM to 12:30PM at Limerick Community Park Ages: 6 to 15 Fee: \$150

The goal of this camp is to teach fundamental baseball skills, to provide an environment where young players will be able to play the game and have fun. There will be daily instruction, drills and games that promote the game of baseball and more importantly, having fun.

July

Basketball Camp July 5th—July 8th (Half Day)

9AM to 1PM at Limerick Community Park; Ages 7 to 13; Fee: \$100

Basketball and prep skills training with an experienced instructor. Players will develop their basketball techniques in the areas of triple threat, free throws, dribbling and defensive positions. It is a great opportunity for players to improve their skills over the summer. All Players must bring: a healthy snack, water bottle, and wear a t-shirt, shorts, running shoes and sun screen.

Science Explorers: Fizz Bang Boom July 11th—July 15th (Half-Day)

9AM-12PM at Limerick Township Building; Ages 7 to 12 Fee: \$240

Registration available Mid-February on www.scienceexplorers.com

What do you get when you take the physics of motion, add in some electrifying experiments, and mix it up with some chemistry? Everyone has a blast! In our half day camp you'll create your own battery-powered invention, experiment with light and flight, make your own kaleidoscope and experiment with giant floating bubbles.

Science Explorers: Fizz Bang Boom July 11th—July 15th (Full-Day)

9AM-4PM at Limerick Township Building; Ages 7 to 12 Fee: \$415

Registration available Mid-February on www.scienceexplorers.com

What do you get when you take the physics of motion, add in some electrifying experiments, and mix it up with some chemistry? Everyone has a blast! In the morning you'll create your own battery-powered invention, experiment with light and flight, make your own kaleidoscope and experiment with giant floating bubbles. Stay for the full day and build your own motorized robot, use chromatography to separate the colors in candy, mix up some crazy chemical reactions, create an electric game, investigate the effects of air pressure, and compete in a tall tower engineering competition!

Limerick Township Parks and Recreation

July Specialty Camps Continued..

Flag Football Camp July 18th—July 22nd (Half Day)

9AM to 1PM at Limerick Township Building; Ages: 7 to 13 Fee: \$125

Flag Football play will focus on fundamental passing, catching and flag grabbing skills. Campers will be introduced to the rules and engage in fun safe game play. Flag football is a non-contact sport ideal for both girls and boys. All Players must bring: a healthy snack, water bottle, and wear a t-shirt, shorts, running shoes and sun screen.

Mad Science July 18th—July 22nd (Half Day)

9AM-12PM at Limerick Township Building; Ages 7to 12 Fee: \$140

NASA – STEM Explorers! Developed with NASA ® NASA: Journey to Outer Space: Take a voyage of discovery into the atmosphere and beyond as we explore planets, moons, and other space phenomena. Build your own Mad Science rocket and participate in a real NASA style rocket launch! Create a kitchen comet and bring home lots of cool NASA take homes! Mad Science is the ONLY organization licensed by NASA to use these activities for Summer Camps!

Mad Science July 18th—July 22nd (Full Day)

9AM-4PM at Limerick Township Building; Ages 7to 12 Fee: \$260

NASA – STEM Explorers! Developed with NASA ® NASA: Journey to Outer Space: Take a voyage of discovery into the atmosphere and beyond as we explore planets, moons, and other space phenomena. Build your own Mad Science rocket and participate in a real NASA style rocket launch! Create a kitchen comet and bring home lots of cool NASA take homes! Mad Science is the ONLY organization licensed by NASA to use these activities for Summer Camps! Then in the afternoon, NASA – STEM Explorers: Think and act like NASA innovators during this hands-on program inspired by the NASA OPTIMUS PRIME Research Challenge (NASA OPSPARC).

Use creative and collaborative skills to design a mission patch, train like an astronaut, build a Mars rover and solve real-world engineering problems. How might space suit cooling tubes be used to solve a problem here on Earth?

Science Explorers: Rockin' Concoctions July 25th—July 29th (Half-Day)

9AM-12PM at Limerick Township Building; Ages 7 to 12 Fee: \$240

Registration available Mid-February on www.scienceexplorers.com

We've taken our after-school club topics from 2021-22 and turned them into a fun-filled week-long camp! We'll explore the science of kitchen chemistry, travel back in time to discover the mysteries of the Earth, examine the world of wacky creatures, and become a Science Explorers CSI! Half day campers will discover the amazing transformation of cream to butter, grow crystals, erupt volcanoes, mine for gemstones, create slug-slime, learn how to lift fingerprints and extract DNA from bananas.

Science Explorers: Rockin' Concoctions July 25th—July 29th (Full-Day)

9AM-4PM at Limerick Township Building ; Ages 7 to 12 Fee: \$415

Registration available Mid-February on www.scienceexplorers.com

We've taken our after-school club topics from 2021-22 and turned them into a fun-filled week-long camp! We'll explore the science of kitchen chemistry, travel back in time to discover the mysteries of the Earth, examine the world of wacky creatures, and become a Science Explorers CSI! Campers will discover the amazing transformation of cream to butter, grow crystals, erupt volcanoes, mine for gemstones, create slug-slime, learn how to lift fingerprints and extract DNA from bananas. Campers will continue the fun as they participate in a dinosaur dig, create cast fossils, make gooey gum drops, freeze their own slushies, solve more forensic cases, mix up a vampire bat treat to eat and examine the anatomy of a frog and complete an optional dissection!

August

Shining Knights Chess Camp August 1st—August 4th (Half Day)

9AM to 12PM at Limerick Township Building; Ages 5 to 13; Fee: \$135

Knights, captures, action! Whether you are new to the game, learning to push pawns for the first time, or have played in numerous tournaments, and want to sharpen your skills, come to a Shining Knights Chess Camp! We have trained numerous state champions and national trophy winners. So, whether you want to win games in your living room against your parents or win tournaments, come join us and learn how to play chess! Campers will receive a tournament-style chess set and a Shining Knights T-Shirt at the end of the camp!

Photography Camp August 1st—August 5th (Half Day)

9AM to 12PM at Limerick Community Park; Ages 8 to 15; Fee: \$300

Explore the world of photography. Learn real world skills that allow every child to express their individual creativity and to develop their own artistic style and vision. Learn various types of photography. Learn how a camera works and which setting is best for specific photographic situations. Take your photography to the next level.

Theatre Camp August 1st—August 5th (Full Day)

9AM to 3PM at Limerick Township Building; Ages 7 to 11; Fee: \$190

Young actors spend a week working as an ensemble to create an original play – full of drama, comedy, suspense, and one-of-a-kind characters. Professional teaching artists guide campers through playwriting basics and fun improvisation games. On the last day, they perform their world premiere play! In Drama Camp, children make new friends, build listening and ensemble skills, take on leadership roles, and explore their creativity. *Pending COVID-19 safety policies, the final showcase may be performed without a live audience. Families will be sent a link to watch from off-site, and a recording of the showcase.

Cheer and Dance Camp August 8th—August 12th (Half-Day)

9 AM to 12PM at Limerick Township Building; Ages 5 to 12; Fee: \$100

Are you ready to stand up and cheer?! Limerick Township Parks & Recreation is teaming up with the Spring-Ford High School Cheerleaders. Come out and learn the fundamentals of cheerleading with Head Cheer Coach Dawn Householder and the 2021 Spring-Ford High School Cheerleading Squad. Participants will learn cheers, side line dances, stunts & jumps. On Friday, camp will be capped off with a performance for the parents. No experience needed. Come dressed in athletic clothing and sneakers.

Basketball Camp August 8th—August 12th (Half Day)

9AM to 1PM at Limerick Community Park; Ages 7 to 13; Fee: \$125

Basketball and prep skills training with an experienced instructor. Players will develop their basketball techniques in the areas of triple threat, free throws, dribbling and defensive positions. It is a great opportunity for players to improve their skills over the summer.. All Players must bring: a healthy snack, water bottle, and wear a t-shirt, shorts, running shoes and sun screen.

3...2...1 BLAST OFF to discovering space and flight! Half day campers will explore the stars and constellations as you take an out-of-this-world sky tour in our homemade planetarium, prepare for lift-off as you build and launch your own rocket while learning about Newton's Laws of Motion, complete a mission to Mars as you design and build your own model space station and work in engineering teams to construct space capsules that will be used to launch "eggstronauts"! Full day campers will continue to use their astronaut wits as we build air powered nano-rovers, make craters and dry ice comets, and work with a robotic arm as we learn how astronauts use robots to work on satellites. Come join us on our mission through outer space!

Harry Potter Camp August 15th—August 19th (Full Day)

9AM to 3 PM at Limerick Township Building; Fee: \$340

Attention Wizards and Witches of Limerick! We are looking for young wizarding students to join us for a week of Wizarding camp! Our week long camp is jam-packed with action and excitement including Quidditch! In between your "classes," which may include (but are certainly not limited to) Defense Against the Arts, Potions, Herbology, Divination, Care of Magical Creatures, and Charms, you can spend galleons at Honeydukes, check out the latest gag at our joke shop, duel another wizard, sip a butter beer, and find the wand that's right for you! You and your campmates will sleuth together to solve a magical mystery as you work through mystical challenges! Each week is unique and every day is different! Everything kicks off with Owlers flown to each student's Muggle home.

Pop Up Play August 22th—August 26th (Half Day/Full Day Options)

9AM to 3PM. 9AM-12PM or 12PM-3PM at Limerick Township Building; Ages: 6 to 12 Fee: \$150 Half/\$300 Full

Become a Time Traveler! In this action packed camp we'll travel through time learning and playing active games popular throughout a century of play. We'll explore play from 1900 to today, think sack racers, stick-ball, hopscotch and apple-basket basketball. Campers will literally run, jump and play throughout time as intrepid time travelers. Are you ready to build your time machine? In the afternoon, we'll take a universally available material, cardboard, and push its limits! Campers will construct catapults, flying machines, arcade games, Rube Goldberg machines, cities, cars, robots and costumes. We can't wait to build with you.
