

SUMMER

2025

# Limerick TOWNSHIP

YOUR SAFETY  
IS OUR  
PRIORITY

Township Supervisors & Staff Members, along with First Responders, unveil new 911 Trail Wayfinding signs along the Tullamore Trail.

*Find the hidden shamrock! (This is the exact size & color you are looking for...♣ ).  
See the back page for more information. Have fun in your search!*

**Kenneth W. Sperring, Jr.**  
*Chairman*

The newly installed Trail Wayfinding signs, highlighted in this newsletter, are another example of the Township's commitment to the public safety needs of our residents. These new signs can be used by trail users to identify their location to the 911 system, in the case of an emergency, as every second counts.

Over the next several months, additional Trail Wayfinding signs will be placed on all the main trails throughout Limerick to ensure our first responders can provide their emergency services as quickly as possible.

The ability of our emergency personnel to quickly respond can only occur if an investment in their "readiness" is also prioritized. The most critical component of this objective is the necessary equipment, apparatus, facilities, and training needed by the police, fire, and emergency medical departments to be on standby for any type of emergency.

**When the 911 call is made, we want our first responders to have the most modern and technically advanced equipment at their disposal.**

This requires significant financial investment; through strict adherence to the Township Business Plan, Limerick can equip all emergency departments without an undue burden on the taxpayers of this community. The principal objective of the Business Plan is to limit the tax burden of our residents and towards this objective, it is important to note that General Fund real estate taxes have not increased since 2016.

Additionally, the Township's total tax millage rate, which includes the General Fund, Fire, EMS, Fire Hydrant, and Park taxes, has remained in the lower half of all 62 Montgomery County Communities, for many years.

**Limerick's Business Plan, and the ability to maintain lower than average taxes, is centered around the sale of the Township Sewer System in 2018. The Business Plan prioritizes the protection of the invested Sewer Sale Reserve Funds, so interest earnings can provide a continuous alternate non-tax revenue source that reduces the overall tax burden of this community. In 2024, the Reserve Funds earned over \$1.8 Million in interest earnings, which were used to offset General Fund tax obligations by 26%!**

Sewer Reserve Funds are also used for long-range capital project investments. This newsletter highlights the investments made in public safety and in the park system, without the need for additional taxes because of the sale of the sewer system.

Whether the need will be for the road system, parks and open space, or our emergency services, the Township is financially well-positioned to ensure the future property tax burden remains low for all within our entire Limerick community.

I wish you a wonderful summer season.

- *Ken*

# Limerick Township's Business Plan

## MAINTAINING LOW TAXES

**1.** INTEREST EARNED from the 2018 sewer sale provides an alternative funding source to the General Fund.

**2.** Thus REDUCING the tax burden by 26%.

**3.** Limerick's business plan offers a solution to the growing burden of property taxes, easing the strain on our residents; especially our seniors who need support to remain in their homes.

County and  
School District's  
portion  
**91.7¢**

Limerick  
Township's  
portion only  
**8.3¢**

**4.** Essential services are being provided while keeping taxes low, ensuring the continuity of critical services.

Parks

for kids, and entertainment for all, made our Tricentennial's first fundraiser a great success!

## Cow Plop Bingo

On a beautiful May morning, many gathered to cheer on bovine Lily, to make what they hoped would be a winning "deposit" on their bingo square.

Lily was obviously at ease with the onlookers and took her sweet old time getting down to business. 47 minutes after her arrival time, she graced square No. 285. The grand prize winner of \$1,000 was awarded to Allison P.!

Auntie Anne's Pretzels, flowers for Moms, facepainting

## Rotary International's 4-Way Speech Contest

Every year, Rotary districts around the world sponsor high school 4-Way Speech contests. The purpose of the speech is to persuade others while applying the principles of Rotary International's 4-Way Test: Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

The contest aims to promote ethical behavior, improve public speaking skills, and foster a deeper understanding of Rotary's core values. On March 22, Limerick Township, who is a proud partner with the Spring-Ford Rotary Club, hosted the Regional Level Competition with three students who advanced from the local level.

Alina Li from Spring-Ford took 1st place and advanced to the District Finals in Hershey where she placed 4th.

Congratulations, Alina!

## Limerick Township receives Communication Award

During the PSATS (Pennsylvania State Association of Township Supervisors) Conference held in Hershey in May, Limerick Township's Newsletter received 2nd place in the Citizen Communication Contest.

Submitted newsletters from all over Pennsylvania were judged based on their content, clarity, and appeal. We are very proud of the positive feedback we have received and will endeavor to bring home a 1st place win in the future!

## Investing in your Safety Limerick's Business

Long-range capital benefits of the 2018 Sewer Sale (listed in billions)

### Trail Wayfinding Signage

Currently, Limerick Township has over 10 miles of trails. One new enhancement is the development of a comprehensive trail signage library with signs that will enable 911 operators to quickly locate and dispatch assistance to trail users in the event of an emergency.

The first trail to implement these signs is the newly named “Tullamore Trail” (formerly known as the PECO Trail). The Tullamore Trail runs between Limerick Center and Royersford Roads. Additional signage will soon be installed on all major trails.

**\$260K used to expand Trail Network**

### Maintaining Township Roadways & Property

The Public Works Department is responsible for the year-round maintenance of 206 lane miles of Township-owned roads, to ensure a safe road system for the motoring public.

**\$5.4M used for Equipment, Road Improvements, and Facility Upgrades**

### To Serve & Protect

The Police Department is a multi-functional organization that is both proactive & community-oriented and endeavors to be a professional and successful problem solver.

It provides many services to the community, including crime prevention programs and safety presentations to various groups.

**\$11M used for Vehicles, Safety Equipment, and Facility Upgrades**

These essential services provide only 8.3¢  
Limerick's Real Estate tax d

# Year: from Trails to Home

## Business Plan at work

value) that have occurred without the need for additional taxes.

### Park Improvements and Open Space

Open spaces provide crucial ecosystem services by reducing pollution and supporting biodiversity.

Our parks provide vital opportunities for physical activity, relaxation, and social interaction, improving both mental and physical health.

Parks foster community engagement and can increase surrounding property values, contributing to economic vitality.

**\$2.6M used for Parks & Open Space; includes \$1.5M for the planned rebuild of Manderach Playground**

### Protecting Life and Property

The Limerick Fire Department (a tax savings of \$4M - \$5M annually thanks to the all volunteer force) provides fire and rescue services to Limerick Township, and the surrounding communities.

The fire department not only responds to emergency calls, but participates in training, apparatus, equipment, and facility maintenance, as well as fundraising and community events.

**\$6M used for Equipment & Facilities**

### Hour of Need

Emergency Medical Services remain strong and vibrant within the Township, considering the current EMS crisis within the State of Pennsylvania that has caused many to close their doors.

All residents are now covered as subscribing members of EMS agencies serving this community.

**\$1.1M used for Fleet & Equipment Improvements**

## Boating Safety

# Life Jackets Save Lives!

Boating safety advocates recommend that all boaters and passengers not only have a life jacket, but wear it at all times while boating. Accidents on the water happen too fast to reach and put on a stowed life jacket.

**75%**

of boating deaths are due to drowning

**87%**

of victims NOT wearing a life jacket

**2/3**

of drowning victims are good swimmers

## WEAR IT

### Solicitation in the Township

Pennsylvania law requires that all municipalities allow lawful solicitations. To help keep everyone safe, Limerick Township has a Peddling/Solicitation Ordinance which requires a solicitation license for most vendors: window, siding or paving companies, energy providers, etc.

Applicants must apply in person with the Township, pay a fee, and provide a government-issued photo ID. After a background check, each solicitor is issued his/her own individual solicitation license card. Solicitors MUST carry their license with them at all times. More information can be found on our website.

In an effort to limit unwanted solicitations, the Township has created a "Do not solicit" list that residents can sign up for. To sign up for the list, please scan here:

This list is given to permitted solicitation companies to advise them of who does not want solicited. You can also place "NO SOLICITATION" signs at the end of your driveway or at your door.

**NOTE:** Non-profit groups, religious organizations, and political affiliates are EXEMPT from the solicitation rules and therefore can approach any residence.

## New Team Members

### Christopher DeFrancesco - Highway Division

In my position at the Township, most of the work load is fairly new to me, but I worked in construction my whole life and am used a lot of the tools and equipment that Limerick has to offer.

One thing that interested me about the position was that I know a lot of the guys that work here. Coming into a work environment where I know multiple people (I even had some of them as coaches) encouraged me to apply here. I also knew getting the opportunity to work for a big township would be a good career option.

In my free time I like to go fishing and hang out with friends.

**FUN FACT:** *One interesting fact about me is that I like to try new restaurants.*

### Nicholas Green - Highway Division

I learned how to be a mechanic while working at Wunderlich Garage for 7 years. While I was there, I had the chance to work on some of the Township's equipment.

What really interested me in the Township was the quality of the equipment, caliber of work, and the friendly employees.

The trucks were always clean when they came in and well maintained, and the people I got to interact with were some of the nicest people I have met.

In my free time, I like to go hunting, fishing, off-roading, and work on cars.

**FUN FACT:** *I go to Canada at least once a year for vacation.*

If you would like to participate in creating the quilt by stitching, embroidering, or quilting, please contact us.

Then please contact us at  
**(610) 495-5229**,

# ACCEPTABLE HOUSEHOLD MATERIALS

PAINT PRODUCTS	OUTDOOR PRODUCTS	AUTOMOTIVE PRODUCTS	HOUSEHOLD PRODUCTS	HOUSEHOLD OTHER
Turpentine	Swimming Pool Chemicals	Grease & Rust Solvents	Drain Openers	Acids, Caustics, Solvents
Paint Thinners	Weed Killers	Fuel Additives	Rug Cleaners	Flammables
Strippers & Removers	Septic Tank Degreasers	Carburetor Cleaners	Wood & Metal Cleaners	Oxidizers, Reactives
Oil-Based Paints	Asphalt Sealers	Transmission/Brake Fluid	Mothballs/Flakes	Aerosols
Stains, Varnish	Caulking Compounds	Antifreeze	Adhesives/Solvents	Mercury (Thermostats & Thermometers)
Shellac	Joint Compound	Car(lead-acid), Truck, Motorcycle, Marine, Batteries	Rechargeable Batteries, Lithium, Ni-Cad, Button, Lead Acid	Fluorescent Tubes and CFLs
Other Solvent-Based Paint Products	Roof Cements	Gas, Oil, Gas Oil Mixture	Spot Removers, Dry Cleaning Fluid	Ballast (must be removed from light fixture)
Wallpaper Cement	MINI Propane Tanks, No BBQ Tanks	Road Flares, No Marine Flares	Fire Extinguishers	Electric Oil-filled Heaters
Spray Paint	Pesticide		Kerosene	

# UNACCEPTABLE MATERIALS

Explosives & Ammunition	Electronics/Televisions	Asbestos	Appliances/White Goods
Infectious or Medical Waste, Prescription Drugs	BBQ-Sized Propane Tanks (leave at local exchange sites)	Radioactive Waste	Freon/Refrigerants
Tires	Helium Tanks	Unidentified Waste	25- or 50-Gallon Drums
Latex Paint* (Water-Based)	Gas Cylinders	Alkaline Batteries (Trash)	Smoke Detectors

\* Take off lid, dry out paint, discard can without lid; or pour paint into plastic bag with absorbent material (clay based kitty litter, saw dust, rags) place bag and can without lid, in trash. Paint hardener can also be purchased at hardware stores.

# DROP OFF GUIDELINES

- Leave items at home that are not for the event so that they are not removed accidentally.
- If you need your gas can or container returned, please tape a note to it stating that you want to keep it.
- You may arrive any time within your registered appointment window.
- Please print out your ticket or write your name and appointment time on a piece of paper, **and place it on your dashboard where it is visible to event staff.**
- If you cannot attend the event, please cancel your appointment through your Eventbrite ticket or by emailing [Recycling@MontgomeryCountyPA.gov](mailto:Recycling@MontgomeryCountyPA.gov), as others may be waiting for an opening.
- NO TVs, electronics, or appliances will be accepted.
- Event workers will unload your materials so please remain in your vehicle.
- BUSINESSES AND CONTRACTORS WILL BE TURNED AWAY**, no commercial/industrial waste accepted.
- Bring all substances in original containers with labels. Items must be identifiable. Do not mix materials.
- Tighten lids on all containers. If containers are leaking, pack in larger container with newspaper to soak up leaks.
- NO 25- OR 50-GALLON DRUMS ALLOWED**. Five-gallon buckets are the largest acceptable container. Maximum amount accepted per vehicle is 25 gallons or 220 pounds.
- There are no permanent drop off locations in the region for household hazardous waste, only the listed collections.

# 2025 SOUTHEASTERN PA REGIONAL HOUSEHOLD HAZARDOUS WASTE EVENTS

Visit the host county websites below for registration information and event details. No Electronics Accepted. No businesses or contractors, household material only.

Events are open to residents of Bucks, Chester, Delaware, and Montgomery Counties and Philadelphia regardless of the host county.

DATE	DAY	COUNTY	LOCATION
